LIVESTOCK FEED

Nutrient-Rich Feed for Healthy Livestock.

Support the growth, health, and productivity of your animals with livestock feed provided to meet their nutritional needs. Because a strong farm starts with well-fed livestock.

BRANDS YOU CAN COUNT ON

Quality Equipment from the Names You Trust

We proudly carry industry-leading brands known for performance, durability, and dependability in the field. Whether you're upgrading or maintaining your gear, you'll find the tools that work as hard as you do.

TESTIMONIALS

What Our Customers Say

Trusted by Farmers Across Manitoba

"It's great to have a one-stop shop for all my farm needs. The staff is knowledgeable and helpful, and the prices are competitive. I highly recommend this place to other farmers in the area."

"I've been a customer for several years now, and I always find what I need. The quality of the products is excellent, and the service is top-notch. I'm very satisfied with my experience here."

Knowledgeable staff and always available to take a phone call to answer a question."

Thanks Matt, Chad and everyone else for the great service this season. Highly recommend Coop for your seed/fertilizer/chemicals needs!

Haydn Fiddling
Long-time Co-op Member

Reliable service and a team that's always willing to go the extra mile."

The support and dedication here make a real difference. Whether it's in the busy season or day-to-day needs, you can count on them to be there.

John Miller
Local Farmer
