WHO WE ARE

A SACRED PLACE FOR WOMEN'S HEALING

Our mission is to create a retreat where women can return to themselves, harnessing the power of cosmic frequencies to realize our truth and full potential.

Moon Village was born from a journey much like yours, one of healing, seeking, and longing to feel whole. If you've ever felt disconnected, overwhelmed, or out of rhythm, you're not alone. There's a quiet comfort in the hum of a singing bowl and the gentle embrace of sisterhood. So many women crave this, a soft place to land, to feel, to release. Here, you will find that refuge—where sound becomes a bridge to your soul.

Every session is a personalized, intuitive experience created to meet you exactly where you are. With a grounding, trauma-aware, and heart-led approach, you'll be guided through deep introspection and powerful mindset shifts, creating space for meaningful and lasting transformation.

This is a safe space where you're deeply seen and never judged. It's not just about healing, it's about reconnection: to your body, to the universe, and to all that we are. Moon Village isn't just a service. It's a harbour. A soft rebellion against the noise of the world, and a return to the wisdom already within you.

OUR GUIDING PHILOSOPHY: Sound is sacred, a gateway to divinity. All existence is vibration.

WHAT THEY SAY ABOUT US...

I have had the privilege of attending several of Micayla's Women's Circles. I'm still reflecting on the profound sense of calm and connection I experienced during the Singing Bowls portion. It was a journey into deep relaxation and rejuvenation, allowing space for me to acknowledge areas in my physical, emotional and etheric bodies that are asking to be healed. Micayla provides an atmosphere that is peaceful and welcoming, allowing like-minded women to connect and share their stories. By the end of each session, I feel completely renewed, grounded and connected. I am relaxed and emotionally balanced. If you're seeking stress relief, emotional clarity, or just a moment of peace in an often chaotic world or a sense of belonging and community, I strongly recommend you attend.
